

NOW IN BETA

Filament.

Your platform. Your recruiter. *One system.*

The all-in-one recruitment platform. Sourcing, outreach, applicant tracking, your careers page, and a live client portal in one system. Built for Climatech, advanced materials, and Industry 4.0.

PILLAR 01 · ONE SYSTEM

One system. *Both of us in it.*

Sourcing, outreach, applicant tracking, your careers page, and your client view, all in one place.

PILLAR 02 · DATA OWNERSHIP

Your search *stays your search.*

Self-hosted on infrastructure VoltForce owns and operates end to end. Your data stays in your own environment.

PILLAR 03 · ON ITS OWN

Comes with a recruiter. *Doesn't require one.*

Also available standalone, as a subscription your own team runs. Start with the platform. Add the recruiter.

**Reach out and tell us
what your hiring looks like *this year.***
